

ACHIEVERS ONLINE / FACE-TO-FACE ONSITE

OUR COURSES

All our **courses** for school years Yr. 7-12 help you complete the NESA syllabus in-depth. These courses are personalized and facilitate concept development through understanding and analysis and not through cramming and mindless memorization.

FLEXIBILITY – ONSITE / ONSITE

You have the option of studying the same course either:

- a) online from the comfort of your home and stay ahead of your school year
- or
- b) face-to-face onsite classes at our institute.

GREAT TUTORS

We have great tutors who are verified, trained, merit-record achievers and passionate about teaching.

SUBJECTS

We provide intensive and personalised tutoring for:

Year 7 -10 – English, Maths, Science

Year 11 -12 - English – all levels – Std to Ext2, Maths – all levels Gen – Ext2, Chem, Phy, Bio, Eco, Legal St., Bus. St.

COURSE INCLUSIONS

- Live interactive lessons
- Theory Notes
- Topic Tests and Model Board practice Exams
- Homework and Assignment Mentoring and Help
- Corrections & Feedback with Markers Guidelines
- 24/7 access to Course materials and notes

LESSON STRUCTURE

In each lesson-week tutor will

- ✓ Cover a sub-topic from the syllabus
- ✓ Personalise it to complement & enhance what student is doing in school
- ✓ Give mini tests to recap previous lesson & test understanding of current lesson.
- ✓ Provide school assignment mentoring and support.
- ✓ Give homework, corrections and feedback as well as fill in the gaps in the student's understanding.
- ✓ Note that homework is submitted by student and corrected by tutor during the week outside of lesson time, thus saving precious in-class time for teaching, concept development and filling in gaps in student's understanding.

COURSE DURATION

- Term Courses - 10 weeks.
- Holiday Programs – 2 weeks
- HSC Revision Programs –generally between 6 to 12 weeks with 1-2 lessons weekly, finishing HSC model papers and feedback sessions with content concept development; depending on the student's needs.
- Customised Programs
We can design programs customised to the student's individual needs that will be flexible in terms of lesson content, lesson structure and duration.
